Number of Cancellations : 447!

Number of Appointment Requests (submitted through EAB Navigate): 177!

Why do students submit appointment requests?!

- They cannot find an available appointment at a time that works for their schedule.!
- They want to schedule an appointment sooner than 18 hours in advance.!
- We do not have a tutor in place for their course!

* Appointment requests and cancellations in the fall 2020 semester were roughly half what they were in fall 2019. This data suggests that we have continued to connect students with our peer tutoring services more effectively and efficiently. #
